## ICCL Lacrosse Community:

We are happy to announce the Inner-City Catholic League (ICCL) will offer Lacrosse this coming 2013 spring season. Our mission is to positively support the growth of lacrosse in South Bend/Mishawaka using our Catholic faith as a foundation. Beginning in March, the ICCL will operate the following opportunities:

### Grades 3-5 Grade School Program

Developmental lacrosse: Goal of building basic lacrosse skills while learning the game. Small sided 7v7 games will be played against other ICCL players.

### Grades 6-8 Middle School Program

All ICCL student athletes and CCD participants interested in playing lacrosse will now have a chance to play on a catholic school team for the coming 2013 season. The teams will consist of 18-20 man rosters. Our teams will participate in the NILA (Northern Indiana Lacrosse Association). Our goal will be to lower participation fees, reduce overnight travel, improve player's lacrosse skills and provide Marian and St. Joe High School a strong feeder program for the future. The ICCL Lacrosse Organization will host two parent meetings. We are targeting the following dates and locations.

#### January 14, 2013

6:30pm Grade School Meeting  
7:00pm Middle School Program  
Location: Marian High School

#### January 23, 2013
